### Notes

#### 1. Submission of Examination Entries to Examination Centres

Candidates must check with their Examination Centres for the registration closing dates which at overseas Centres may well be earlier than the dates set by Pearson.

#### 2. Optional Speaking and Listening Tests

Speaking and Listening Tests for English for Business (EFB) are not scheduled. Centres may hold the Speaking and Listening Tests on any date before the relevant written examinations so that results may be sent to Pearson together with written examination scripts. It is recommended that dates for Speaking and Listening tests are not set more than one week prior to the commencement of the Series, allowing sufficient time for papers to arrive. Speaking and Listening Tests must be taken within 12 months of the written paper to be included on the certificate. Results cannot be issued until the Speaking and Listening results have been received.

#### 3. All centres must submit Examination Entries to Pearson no later than:

- January 2019 series – 3 December 2018
- March 2019 series – 21 January 2019
- April 2019 series – 19 February 2019
- June 2019 series – 29 April 2019
- July 2019 series – 28 May 2019
- September 2019 series – 22 July 2019
- November 2019 series – 30 September 2019
- December 2019 series – 21 October 2019

Please note that late entries cannot be accepted for timetabled examinations due to the timescales required for print, despatch and delivery of the papers.

#### 4. Timetabled Dates

All timetabled examinations must take place on the dates shown. In centres where candidates are unable to sit an examination on the timetabled date the centre should request, from International Enquiries **pqs.internationalenquiries@pearson.com**, an on demand examination where this availability exists.

All examinations should be conducted according to the controls specified in the Examination Regulations document from **qualifications.pearson.com/lccisupport**
